Area 2-Have
Leaves out prior to
Monday Dec 11

Note: Absolutely no sticks or branches.
Only leaves in the piles please.

Leaf collection begins Oct 16. Public Works plans to go down every street in Oak Bay twice. Once before the prior to date and once after. Please have your leaves on the boulevard prior to the dates stated above. Leaves may not be picked up if placed out after those dates. Leaves are to be placed on the boulevard as leaves placed on the roadway block street drains. Properties that place leaves on the roadway are subject to fines. Please go to www.oakbay.ca for more info. Schedule subject to change.
