MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The accompanying financial statements of The Corporation of the District of Oak Bay (the "District") are the responsibility of management and have been prepared in compliance with legislation, and in accordance with public sector accounting principles established by The Canadian Institute of Chartered Accountants. A summary of the significant accounting policies are described in Note 1 to the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The District's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

Mayor and Council meet with management and the external auditors to review the financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the financial statements.

The financial statements have been audited by KPMG LLP, independent external auditors appointed by the District. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the District's financial statements.

Independent Auditors' Report

To the Mayor and Councillors of The Corporation of the District of Oak Bay

We have audited the accompanying financial statements of The Corporation of the District of Oak Bay which comprise the statement of financial position as at December 31, 2010, the statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of The Corporation of the District of Oak Bay as at December 31, 2010, and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Financial Statements

Year ended December 31, 2010

The Corporation of the District of Oak Bay (the "District") was incorporated on July 2, 1906 under the Municipal Act, a statute of the Province of British Columbia. Its principal activities are the provision of local government services to residents of the incorporated area. These include administrative, protective, transportation, environmental, recreational, water, sewer and fiscal services.

1. Significant accounting policies:

The financial statements of the District are prepared by management in accordance with Canadian public sector accounting standards for local governments as recommended by the Public Sector Accounting Board ("PSAB") of the Canadian Institute of Chartered Accountants. Significant accounting policies adopted by the District are as follows:

(a) Reporting entity:

The financial statements include a combination of all the assets, liabilities, accumulated surplus, revenues and expenses of all of the District's activities and funds. Interdepartmental balances and organizational transactions have been eliminated.

(i) Consolidated entities

The District does not control any significant external entities and accordingly no entities have been consolidated with the financial statements.

(ii) Funds held in trust

The financial statements exclude trust assets that are administered for the benefit of external parties (note 10).

(b) Basis of accounting:

The District follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(c) Government transfers:

Government transfers are recognized in the financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made. Transfers received for which expenses are not yet incurred are included in deferred revenue.

Notes to Financial Statements (continued)

Year ended December 31, 2010

1. Significant accounting policies (continued):

(d) Deferred revenue:

Deferred revenue includes grants, contributions and other amounts received from third parties pursuant to legislation, regulation and agreement which may only be used in certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed, or the tangible capital assets are acquired.

(e) Investment income:

Investment income is reported as revenue in the period earned. When required by the funding government or related Act, investment income earned on deferred revenue is added to the investment and forms part of the deferred revenue balance.

(f) Investments:

Investments are recorded at cost. Investments in the Municipal Finance Authority of British Columbia ("MFA") Bond, Intermediate and Money Market Funds are recorded at cost plus earnings reinvested in the funds.

(g) Long-term debt:

Long-term debt is recorded net of related sinking fund balances.

(h) Employee future benefits:

The District and its employees make contributions to the Municipal Pension Plan. These contributions are expensed as incurred.

Sick leave and other retirement benefits are also available to the District's employees. The costs of these benefits are actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The obligations under these benefit plans are accrued based on projected benefits as the employees render services necessary to earn the future benefits.

Notes to Financial Statements (continued)

Year ended December 31, 2010

Significant accounting policies (continued):

(i) Non-financial capital assets:

Non financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Useful life - years
Land improvements Building and building improvements Machinery and equipment IT equipment Vehicles Roads and drainage	15 - 50 25 - 100 3 - 30 5 - 8 10 - 20 25 - 100

Amortization is charged annually, including in the year of acquisition and disposal. Assets under construction are not amortized until the asset is available for productive use.

(ii) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(iii) Works of art and cultural and historic assets

Works of art and cultural and historic assets are not recorded as assets in these financial statements.

(iv) Interest capitalization

The District does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

Notes to Financial Statements (continued)

Year ended December 31, 2010

Significant accounting policies (continued):

- (i) Non-financial capital assets (continued):
 - (v) Leased tangible capital assets

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(vi) Inventories of supplies

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

(i) Use of estimates:

The preparation of financial statements in conformity with public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating historical cost and useful lives of tangible capital assets, estimating provisions for accrued liabilities and in performing actuarial valuations of employee future benefits. Actual results could differ from these estimates.

(k) Funds held in trust:

The financial statements exclude trust assets that are administered for the benefit of external parties.

Notes to Financial Statements (continued)

Year ended December 31, 2010

2. Investments:

	2010	2009
MFA Money Market Funds Government of Canada Bonds	\$ 26,287,840 963,750	\$ 23,884,498 963,750
	\$ 27,251,590	\$ 24,848,248

Government of Canada Bonds at December 31, 2010, have stated interest rates of 9.00% (2009 - 9.00%) with a maturity date of March 1, 2011. The fair value of Government of Canada bonds is estimated at \$1,012,229 (2009 - \$1,087,878). The fair value of MFA Money Market Funds approximates the recorded value.

3. Deferred revenue:

Deferred revenue, reported on the statement of financial position, is made up of the following:

	2010	2009
Gas Tax Agreement Funds balance Unearned revenues	\$ 1,777,098 1,109,817	\$ 1,325,828 1,088,202
Total deferred revenue	\$ 2,886,915	\$ 2,414,030

Gas Tax Agreement funding is provided by the Government of Canada. The use of the funding is established by a funding agreement between the local government and the Union of British Columbia Municipalities. Gas Tax Agreement funding may be used towards designated public transit, community energy, water, wastewater, solid waste and capacity building projects, as specified in the funding agreements.

Schedule of Gas Tax Agreement Funds

	2010	2009
Opening balance of unspent funds Add:	\$ 1,325,828	\$ 799,857
Amounts received during the year Interest earned	531,324 8,924	538,818 12,638
Less amount spent on projects and recorded as revenue	540,248 (88,978)	551,456 (25,485)
Closing balance of unspent funds	\$ 1,777,098	\$ 1,325,828

Notes to Financial Statements (continued)

Year ended December 31, 2010

4. Employee future benefit obligations:

The District provides sick leave and certain benefits to its employees. These amounts and other employee related liabilities will require funding in future periods and are set out below.

Accumulated sick leave represents the liability for sick leave banks accumulated for estimated draw downs at future dates. Retirement benefit payments represent the District's share of the cost to provide employees with various benefits upon retirement including lump sum retirement payments, death benefits, certain vacation entitlements in the year of retirement, and pension buyback arrangements for qualified employees. The accrued employee benefit obligations and the net periodic benefit cost were estimated by an actuarial valuation completed effective for December 31, 2010.

Information about liabilities for employee benefit plans is as follows:

	2010	2009
Accrued benefit liability, beginning of year	\$ 1,320,900	\$ 1,273,300
Service cost	94,800	89,100
Interest cost	63,000	61,300
Long-term disability expense	49,100	-
Amortization of net actuarial gain	(11,300)	(13,600)
Benefit payments	(80,700)	(89,200)
Accrued benefit liability, end of year	\$ 1,435,800	\$ 1,320,900

The difference between the actuarially accrued benefit obligation of \$1,320,100 (2009 - \$1,209,300) and the accrued benefit liability of \$1,435,800 (2009 - \$1,320,900) is an actuarial net gain of \$115,700 (2009 - gain of \$111,600). This actuarial gain is being amortized over a period equal to the employees' average remaining service period of 11 years.

The significant actuarial assumptions adopted in measuring the District's accrued benefit obligations are as follows:

	2010	2009
Discount rates	4.25 %	5.00 %
Expected future inflation rates	2.50 %	2.50 %
Expected wage and salary increases	2.58 to 4.63 %	2.58% to 4.63 %

Notes to Financial Statements (continued)

Year ended December 31, 2010

4. Employee future benefit obligations (continued):

Municipal Pension Plan

The District and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The pension plan is a multi-employer contributory pension plan. Basic pension benefits provided are defined. The plan has about 163,000 active members and approximately 60,000 retired members. Active members include approximately 35,000 contributors from local government.

Every three years an actuarial valuation is performed to assess the financial position of the Plan and the adequacy of Plan funding. The most recent valuation as at December 31, 2009 indicated an unfunded liability of \$1,024 million for basic pension benefits. The next valuation will be as at December 31, 2012, with results available in 2013. The actuary does not attribute portions of the surplus to individual employers. The District paid \$1,408,774 (2009 - \$1,378,091) for employer contributions and District employees paid \$1,007,771 (2009 - \$1,001,536) for employee contributions to the plan in fiscal 2010.

GVLRA – CUPE Long-Term Disability Trust

The Trust is a multiemployer plan established January 1, 1987 as a result of negotiations between the Greater Victoria Labour Relations Association representing a number of employers and the Canadian Union of Public Employees representing a number of CUPE locals. The Trust's sole purpose is to provide a long-term disability income benefit plan. The District and its employees each contribute equal amounts into the Trust. The total plan provision for approved and unreported claims was actuarially determined at December 31, 2007. At December 31, 2010, the total plan provision for approved and unreported claims was \$11,368,636 with a net surplus of \$963,472. The District paid \$38,741 (2009 - \$40,570) for employer contributions and District employees paid \$38,807 (2009 - \$40,570) for employee contributions to the plan in fiscal 2010.

Notes to Financial Statements (continued)

Year ended December 31, 2010

5. Long-term debt:

	2010	2009
Debenture debt - MFA Issue 80 payable at \$142,594 annually; fixed interest payments 4.775% paid semi-annually (\$112,571). Final payment October 3, 2023.	\$ 3,554,000	\$ 3,745,089
Capital leases - MFA, payable monthly; payments include interest from 1.25% to 5.25%; terms to 2015.	294,560	166,269
Total General Capital Fund debt	\$ 3,848,560	\$ 3,911,358

(a) Debenture debt:

The loan agreements with the Capital Regional District and the MFA provide that if, at any time, the scheduled payments provided for in the agreements are not sufficient to meet the MFA's obligations in respect of such borrowings, the resulting deficiency becomes a liability of the District.

The District issues its debentures through the MFA. Debentures are issued on a sinking fund basis, where the MFA invests the District's sinking fund payments so that the payments, plus investment income, will equal the original outstanding debt amount at the end of the repayment period. The gross value of debenture debt at December 31, 2010 is \$4,715,000. The value of the sinking fund as of December 31, 2010 is \$1,175,155.

(b) The aggregate amount of payments required on the District's long-term debt during each of the next five years is as follows:

	Minimum lease payments	Estimated principal payments	Total
2011 2012 2013 2014	\$ 112,646 76,888 70,422 21,878	\$ 142,594 142,594 142,594 142,594	\$ 255,240 219,482 213,016 164,472
2015	\$ 12,726 294,560	\$ 142,594 712,970	\$ 155,320 1,007,530

(c) Total interest expense on long-term debt for the year ending December 31, 2010 amounted to \$226,957 (2009 - \$226,477).

Notes to Financial Statements (continued)

Year ended December 31, 2010

Notes to Financial Statements (continued)

Year ended December 31, 2010

6. Tangible capital assets (continued):

(a) Assets under construction

Assets under construction having a value of \$994,751 (2009 - \$300,444) have not been amortized. Amortization of these assets will commence when the asset is put into service.

(b) Contributed tangible capital assets

There were no contributed assets recognized during 2010 or 2009.

(c) Tangible capital assets disclosed at nominal values

Where an estimate of fair value could not be made, tangible capital assets are recognized at a nominal value. Land is the only category where nominal values have been assigned.

(d) Works of art and historical treasures

The District manages and controls various works of art and non-operational historical cultural assets including buildings, artifacts, paintings and sculptures located at District sites and public display areas. These assets are not recorded as tangible capital assets and are not amortized.

(e) Write-down of tangible capital assets

The write-down of tangible capital assets during the year was \$nil (2009 - \$10,000).

Notes to Financial Statements (continued)

Year ended December 31, 2010

7. Accumulated surplus:

Accumulated surplus consists of individual fund surplus and reserves and reserve funds as follows:

	2010	2009
Surplus:		
Equity in tangible capital assets	\$ 44,519,899	\$ 43,096,305
Operating Fund	3,837,742	4,885,879
Total surplus	48,357,641	47,982,184
Reserve Funds:		
Village Parking	841,034	833,130
Fire Equipment	295,609	194,372

Total reserve funds	16,143,359	15,137,499
	\$ 64,501,000	\$ 63,119,683

Notes to Financial Statements (continued)

Year ended December 31, 2010

8. Taxation:

As well as taxes for its own purposes, the District is required to collect taxes on behalf of, and transfer these amounts to, the government agencies noted below. Taxes levied over or under the amounts requisitioned are recorded as accounts payable or receivable.

	2010	2009
Taxes		
Property tax	\$ 32,059,810	\$ 31,228,540
Payments in lieu of taxes	155,178	152,607

Business Improvement Area	70,003	61,514
•	16,139,035	15,821,248
Net taxes available for municipal purposes	\$ 17,722,959	\$ 17,125,747

9. Commitments and contingent liabilities:

In the normal course of business, the District enters into commitments for both capital and operational expenses. These commitments have been budgeted for within the appropriate annual budget and have been approved by Council.

Notes to Financial Statements (continued)

Year ended December 31, 2010

9. Commitments and contingent liabilities (continued):

(a) MFA debt reserve fund deposits:

Under borrowing arrangements with the MFA, the District is required to lodge security by means of demand notes and interest-bearing cash deposits based on the amount of the borrowing. As a condition of these borrowings, a portion of the debenture proceeds is withheld by the MFA as a debt reserve fund. These deposits are included in the District's financial assets as cash and are held by the MFA as security against the possibility of debt repayment default. If the debt is repaid without default, the deposits are refunded to the District. At December 31, 2010 there were contingent demand notes of \$136,718 (2009 - \$136,718) which are not included in the financial statements of the District.

- (b) Capital Regional District (CRD) debt, under the provision of the Local Government Act, is a direct, joint and several liability of the CRD and each member municipality within the CRD, including the District.
- (c) The District is a shareholder and member of the Capital Regional Emergency Service Telecommunications (CREST) Incorporated whose services provide centralized emergency communications, and related public safety information services to municipalities, regional districts, the provincial and federal governments and their agencies, and emergency service organizations throughout the Greater Victoria region and the Gulf Islands. Members' obligations to share in funding ongoing operations and any additional costs relating to capital assets are to be contributed pursuant to a Members' Agreement.
- (d) The District is self-insured for general liability claims through membership in the Municipal Insurance Association of British Columbia, a reciprocal insurance exchange. Under this program, member municipalities jointly share claims in excess of individual deductibles ranging from \$2,500 to \$100,000 against any member. The District's deductible is \$10,000.
- (e) New condominium construction in British Columbia over the last fifteen years has resulted in significant construction deficiencies. Liability for these deficiencies is presently being addressed by the courts. The impact of the courts' decisions and their effect on the District are unknown at this time. The District has received one statement of claim with respect to alleged construction deficiencies. This claim received prior to December 31, 2010 has been reported to the District's insurers. No determination of the District's liability, if any, has been determined and no estimate of potential loss can be made or recorded at this time. Any liability will be recorded when a settlement is likely and the amounts are determinable.

Notes to Financial Statements (continued)

Year ended December 31, 2010

9. Commitments and contingent liabilities (continued):

- (f) During 2008 the Province of BC gave its share (50%) of the heritage property known as Tod House to the District. The value of this transaction has been recorded as \$395,000. Concurrently the Province registered a "Possibility of Reverter" against the property. This states that the Province has granted its interest to the District "for so long as the land is used for the specific purpose of managing the Tod House Heritage Site". Previous correspondence with the Province suggests that if the property use is changed the District will pay to the Province 50% of the market value of the property at the time that its use changed. The District has no plans to change the use of Tod House.
- (g) During 2010 the District, under the approval of Council, committed to provide funding of \$1,000,000 towards the construction of a new Community Theatre and art facilities for the new Oak Bay High School. The funding is to be made in two payments of \$500,000, one payable in the fall of 2011, and the second to be paid upon completion of the project in 2013. These contributions will be recognized in the financial statements when the recipient has met the eligibility criteria for the funding.

10. Trust funds:

Trust funds administered by the District have not been included in the statement of financial position nor have their operations been included in the statement of operations.

	Heritage F	louse Trust	Le	gacy Trusts	2010	2009
Financial assets:						
Cash Investments Due from operating fund	\$	143 183,149 16,678	\$	474 399,924 (3,048)	\$ 617 583,073 13,630	\$ 19,462 730,417 8,600
	\$	199,970	\$	397,350	\$ 597,320	\$ 758,479

Since the use of Trust Funds is restricted, their assets and liabilities are not recorded in the financial statements.

The Heritage House Trust was accruing 50% of the net rental income of Tod House. Beginning in 2003 the Trust retained 100% of the net rental income.

The District has received bequests that are to be used for various purposes. These are maintained in the Legacy Trusts, with authorized expenditures being funded from it, and earnings on investments being added to the Trust.

11. Budget data:

The unaudited budget data presented in these financial statements is based upon the 2010 operating and capital budgets approved by Council on May 10, 2010. Amortization was not contemplated on development of the budget and, as such, has not been included. The following reconciles the approved budget to the budget figures reported in these financial statements.

	Budget amount
Revenues:	
Operating budget	\$ 35,335,306
Less:	
Transfers from own funds	(3,623,070)
Total revenue	31,712,236
Expenses:	
Operating budget	35,335,306
Less:	
Capital expenses	(5,283,549)
Transfer to other funds	(1,888,678)
Debt principal payments	(199,174)
Total expenses	27,963,905
Annual surplus	\$ 3,748,331

12. Segmented information:

The Corporation of the District of Oak Bay is a diversified municipal organization that provides a wide range of services to its citizens. For management reporting purposes, the District's operations and activities are organized and reported by service areas. Municipal services are provided by departments and their activities are reported in these service areas. Service areas that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

(i) General Government:

The departments within General Government are Corporate Administration, Building and Planning, Finance, and Information Technology. These departments are responsible for adopting bylaws, adopting administrative policy, levying taxes ensuring effective financial management, monitoring performance and ensuring that high quality municipal service standards are met.

12. Segmented information (continued):

(ii) Protective Services:

Protective Services is made up of Police, Fire, Building and Planning and Animal Control. The Police Department ensures the safety of the lives and property of Oak Bay citizens through the enforcement of municipal bylaws and criminal law, the maintenance of law and order, and the prevention of crime. The Fire Department is responsible for providing critical, life-saving services in preventing or minimizing the loss of life and property from fire emergencies. The Fire Department also coordinates the District's emergency program. The Building and Planning department provides a full range of building services related to permits and current regulatory issues and through its Bylaw Enforcement division promotes, facilitates and enforces general compliance with bylaws. Animal Control services enforce the animal control bylaws and operate the pound and adoption centre for animals.

(iii) Transportation Services:

Transportation Services is responsible for the construction and maintenance of roads and sidewalks throughout Oak Bay. Other duties include street cleaning, leaf pickup, snow removal and street lighting. This department is also responsible for the construction and maintenance of the storm drain collection systems.

(iv) Environmental Health Services:

The Environmental Health Services is responsible for the collection and disposal of household garbage.

(v) Recreation Services:

Recreation Services is responsible for providing, facilitating the development of, and maintaining the high quality of parks, recreation facilities, and cultural services.

(vi) Water Utilities and Sewer Collection System:

The Water Utilities and Sewer Collection System Departments operate and distribute the water and sewer networks. They are responsible for the construction and maintenance of the water and sewer distribution systems, including mains and pump stations.

Certain allocation methodologies have been employed in the preparation of the segmented financial information. Taxation and payments-in-lieu of taxes are apportioned to General Government, Protective, Transportation, and Recreation Services based on current year expenditures. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in note 1.
