

Oak Bay Heritage Foundation

Century House Plaques

Does your house qualify for a Century House Plaque? It does if it is 100 years old, or older. It is an excellent way to give your house the honour that it deserves. Plaques can be ordered through the Oak Bay Heritage Foundation. The price for the plaques is \$150.

Send your request to oakbayheritagefdn@gmail.com with the subject line **Century Plaque**, with your name, the address of your home, and the date of construction and we will ensure that you receive a plaque with the date that your house was constructed.
