

CLIENT TAX RECEIPTS IN XPLOR

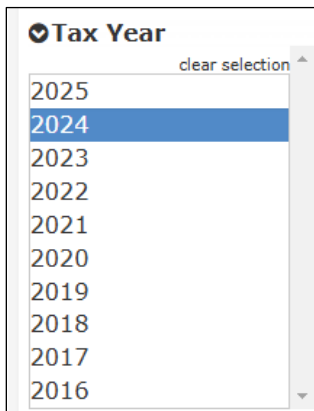

Disclaimer: It is important to note that we are not claiming all programs qualify for a tax deduction (usually it is childcare i.e. daycare, afterschool care, and camps). This report is a summary of children's programming, and one should consult with an accountant or the Canada Revenue Agency on what is eligible to claim.

To access this report:

1. Log in to your online client account
2. Click the name of the family member they want the receipt made out to (the report will generate for the whole family account). Then select the TAX RECEIPT button:

3. Choose the tax year to report on

4. Print report by selecting appropriate icon
